

FEBRUARY NEWSLETTER

2021

After the most prolonged period of cold weather for quite a few years, it's safe to say the team here at Thimbleby are pleased the weather has started to warm up a little bit. The ground looked absolutely magical covered in thick snow, but it rather hampered our efforts at maintaining and updating the stands ready for when our customers are able to return. Here's hoping we don't have to wait too much longer before we can welcome everyone back.

We're pleased to share the news that the new clubhouse is edging ever closer to completion, with work ongoing on the internal fixtures and fittings now. Did you see the news that it will also include a retail outlet for you to explore when you visit? What do you hope to see there when you walk through the door for the first time?

MESSAGE FROM HAPPY GUNS

We very much miss being able to see and chat to our customers and supporters, but something which has lifted the spirits every now and then is receiving some great testimonials from them. Here are just a few that we wanted to share with you. If you love coming to visit us and have been looking forward to returning, then we always appreciate kind messages on our Facebook page or by email.

"The lads and myself love a trip to Thimbleby. It's a great ground, in fact my favourite in the north east and always great targets in beautiful surroundings. Can't wait to visit the new club house too. Stay safe and hopefully see you soon" - Patrick

"Every time there's a warm welcome. Then great targets!" - Phil
